

Congratulations! Alex, Eric & Lawrence

During the 2009 Canadian Open Taiji Championships Taiji martial artists from all across Canada competed for the top spots. Again, Ji Hong students played a prominent role in this international open-Taiji championship by winning gold, silver and the Grand Championship title.

We cordially congratulate Alex Treadwell (fixed steps push hand silver medal), Lawrence Wu (both Yang and Chen style form/Taolu silver medals) and rising push hands star Eric. It was Eric Wai's tournament debut, winning a silver medal in Chen Taolu, one gold medals in fixed steps push hands, and two gold medal in moving steps push hand. Eric also took the Grand Champion title, indeed a stunning triumph. Eric trained for only more than a year under the Ji Hong Tai Chi System under Head Instructor Sifu Jim Liang.

We would like to take this opportunity to congratulate Richmond hill branch students, Well done!
